

Fox Subacute at Clara Burke Visitation Guide

Video Call |

Summary - This type of visit utilizes Video Calls that allow the resident and the family to have a 15 minute FaceTime or Google Duo video call for those family members who have an Apple or Android device.

Precautions - None

Date & Time Available - Monday to Saturday 9:30 AM - 12:30 PM

Scheduling - Contact Patrice Davis (267)644-8574 or email pdavis@foxsubacute.com

Clara's Cubby |

Summary - This type of visit allows 4 family members to sit in an enclosed alcove of the facility while the resident is protected by sitting behind a sealed pane of glass which runs from floor to ceiling. You will be able to have conversation through the use of a cellphone. This does not require the family to enter the facility. The duration of these visits are 20 minutes.

Precautions - None

Date & Time Available -

- Monday to Saturday 1:00 PM - 3:00 PM
- Thursday & Friday 5:00 PM - 6:30 PM

Scheduling - Contact Patrice Davis (267)644-8574 or email pdavis@foxsubacute.com

Outside Visit |

Summary - This type of visit allows the Resident and Family to visit outside while weather permitting. To make for more comfortable conditions, Pop Up Tents will be placed to allow for the visit to be shaded. This visit allows for 6 visitors at a time.

Precautions - COVID-19 test, surgical mask, and hand hygiene are required, provided by the facility. All visitors must be 7 years of age or older (subject to change depending on COVID precaution status- please check with Patrice on age limit before coming to visit if questioning this).

Date & Time Available -

- Tuesday from 10:00 AM - 11:30 AM
 - Rain Date - Thursday

Scheduling - Contact Patrice Davis (267)644-8574 or email pdavis@foxsubacute.com

Fox Subacute at Clara Burke Visitation Guide

East Wing Visit |

Summary - This type of visit offers the resident and family the ability to have an in person visit that is secluded from all resident areas through the use of 4 visitation rooms. This allows 2 family members permitted inside the visitation room at a time.

Precautions - All visitors must be 7 years or older. A Rapid COVID-19 Test is required 15 minutes prior to visit, provided by facility. Surgical mask, hand hygiene, and temperature check required upon entry, provided by the facility.

Date & Time - Thursday & Saturday from 1:00 PM - 2:00 PM

Scheduling - Contact Patrice Davis (267)644-8574 or email pdavis@foxsubacute.com

Resident Room Visit |

Summary - This type of visit allows the 4 family members to enter into the facility, traveling through the nursing units and into the resident's room. All visitors must be vaccinated and show proof of vaccination and requires you be tested on the Sunday prior to the visit on Wednesday. This will also require the family to be tested the day of the visit.

Precautions - All visitors must be COVID-19 Vaccinated. All visitors must be tested Sunday prior to visit from 5:00 AM - 11:00 AM. All visitors must be tested the day of the visit before prior to entering the facility.

Date & Time - Wednesday from 11:00 AM - 2:30 PM. More resident room visits available - to be scheduled on an individual basis.

Scheduling - Contact Patrice Davis (267)644-8574 or email pdavis@foxsubacute.com
